Contact the Brightlayer UI Team

Brightlayer UI is constantly evolving and adding new technical documentation, live code examples, components, and more. As the system grows, we welcome your feedback and suggestions on how we can make the system more useful for you and your team. Please do not hesitate to contact us regarding any issues you experience or potential opportunities for improvement.

How to Contact Us

If you have any questions or feedback about Brightlayer UI or how to use it, you can email the team directly at brightlayer-ui@eaton.com. We typically respond to all inquiries within one business day.

We look forward to hearing from you!
